## **BD8-W DIMENSIONS:**

17.75"W x 11.5"D x 19"H

Clearance for air flow required.

## **HOW THE BD8 WORKS**

Your recipe is entered into the BD8 by accessing the programming mode of the microprocessor. Input up to 32 recipes into memory. To make a drink, enter the recipe number into the touchpad.

The microprocessor directs peristaltic pumps to draw ingredients through external supply lines. The pumps precisely meter product into a blender jar containing ice in the blending chamber. Water, if desired, is added to complete the recipe.

As ingredients are dispensed into the blending jar a 3.5 peak horsepower motor begins the blending process. A pre-programmed blend cycle speeds the delivery of your drink—ready to serve.

## **ADDITION BINS**

Stacking Dispensers, 4w x 11d x 7h  
8 - #927 recommended. Brackets are included.

## **PROTEIN BINS**

Top Load Single Bin 4 1/4 x 12 x 16 1/2  
Top Load Triple Bin 13 X 12 X 16 1/2  
2 - #946 recommended. Brackets are included.

Specifications subject to change without notice.

## Standard Features

- Stainless steel front, top and sides.
- White anodized aluminum interior and stainless steel bottom.
- Oversized and balanced, environmentally friendly refrigeration system - holds 32 F-38 F (134A, refrigerator), -10 F (R404A, freezer).
- Front breathing
- Work surface 36" high.
- Recessed handles on solid door models; glass door models feature triple pane glass and 12" aluminum handles.
- Door swings within cabinet dimensions.
- Adjustable vinyl coated wire shelves.
- Epoxy coated evaporator.
- Aluminum finished back.
- Slide out compressor can be serviced easily and accessed by a single repairman.
- Self-contained system.
- Foamed-in-place high density polyurethane insulation (CFC free).
- 5" castors standard equipment.
- 1 year parts & labor warranty (USA)
- 5 year compressor warranty

## Optional Accessories

- Drawered models
- Cutting board
- Stacking collar
- 6" Legs available
- 2 1/2" Castors available

### DEPENDABLE PERFORMANCE IN ANY CONDITION

- Delivers steady flow of ice for fast recovery of ice supply.
- 7-ft. power cord for quick installation.
- Completely serviceable from the front side.
- 3-piece cabinet is easily removable from front.
- Rear utility connections.
- Cabinet constructed of durable rust-free rotocast plastic.

### WARRANTY *See your dealer for complete warranty details.*

- 2 years parts on all components.
- 2 years labor on all components.
- 5 years parts on compressor.

#### UNDERCOUNTER INSTALLATION

Adapts to numerous under-counter applications. Fits under any 40" counter.

#### SLIDE AWAY ACCESS DOOR

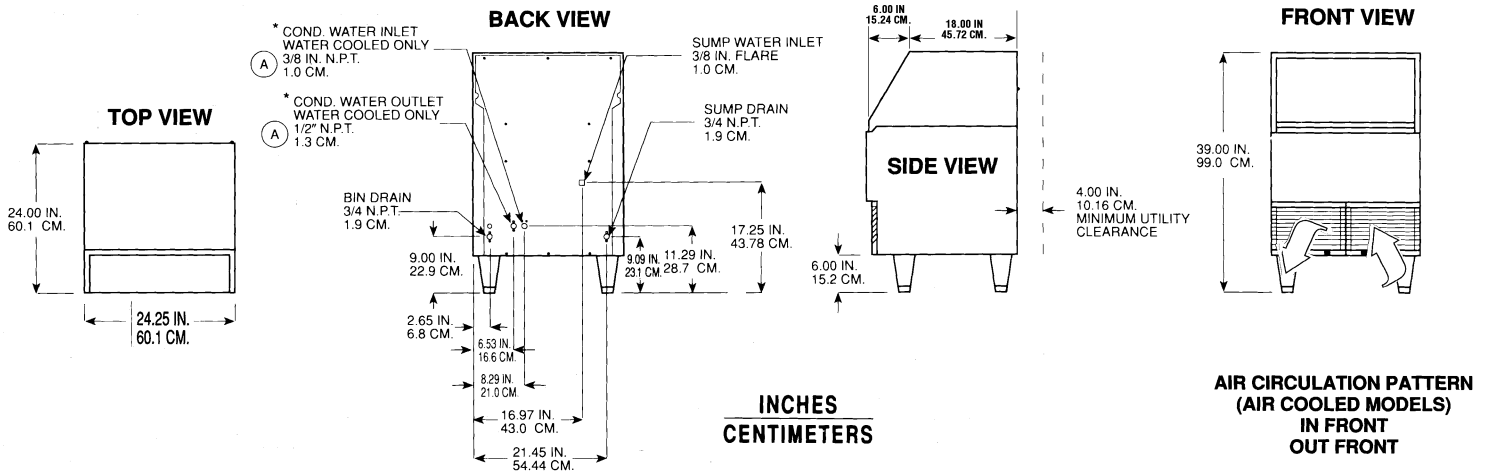

Provides convenient and easy access to ice.

Finish: Rotocast grey plastic.  
 Refrigerant R-134A.

**LEGS SUPPLIED:**  
 Four black plastic legs screw into mounting plates on cabinet base. Provide 6" minimum height including adjustable leveling foot.

Scotsman's ice machines are not designed for outdoor installations. Scotsman remote condensers are designed for outdoor installations.

Machine requires voltage indicated on rating name plate. Failures caused by improper voltage are not considered factory defects. Extended periods of operation at temperatures exceeding limitations constitutes misuse under the terms of Scotsman Manufacturer's Limited Warranty, resulting in a loss of warranty coverage. Specifications and design are subject to change without notice.

STAINLESS STEEL  
**REGALINE SINKS**  
**T9 SERIES**

**NEW** *Tile Edge Design*

**FEATURES:**

Tile edge for ease of installation.

One piece **Deep Drawn** sink bowls with integral drainboards with splash.

Featuring the single bowl unit design.

All sink bowls have a large liberal 3" radius.

Placement of the welded leg assembly ensures stability and furnishes direct support of the column load requirement for the entire sink unit.

**CONSTRUCTION:**

All TIG welded.

Welded areas blended to match adjacent surfaces and to a satin finish.

Gussets welded to a die-embossed reinforcing channel.

**MECHANICAL:**

Supply is 1/2" IPS hot & cold.

Faucet holes on 8" centers.

Faucets are not included (see accessories).

Waste drains are 1 1/2" IPS S/S basket type and are included.

**MATERIAL:**

1 5/8" diameter galvanized legs and gussets.

1" adjustable plastic bullet feet.

Bowls are heavy gauge stainless steel type 304 series.

Drainboards, splash and rolled rims are fabricated using heavy gauge stainless steel type 430 series.
